## The New Indian Run

ENJOY ONE OF THE FINEST GOLF COURSES IN THE GREATER KALAMAZOO AREA

Opening the 2009 golf season under new ownership and management, Indian Run Golf Club will be offering a premium quality golf venue at a great value. Our well-manicured 18-hole layout has four sets of tees ranging from 5,028 yards to 6,808 yards. With large undulating greens, bentgrass fairways, several water hazards, and over 50 greenside and fairway

bunkers coming into play, Indian Run caters to groups and outings with its Clubhouse and Banquet Center as well as daily-fee and league play. We have new special rates for seniors, students and twilight. Annual Season Passes are also available. Come discover the NEW Indian Run. For Special Offers and Events, visit our website at [www.irgolfclub.com](http://www.irgolfclub.com).

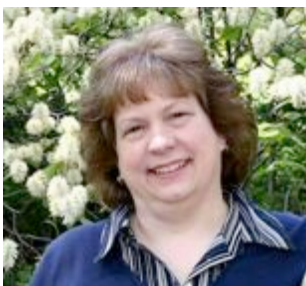

### Meet our General Manager

**Ernie Ahlstrom** will be at the helm this year as the new GM. Many of you know him from last year, and his door will always be open to listen to your comments and suggestions.

Ernie, an avid golfer himself, is bringing in all new staff in the Golf Shop and hopes to make your visit to the Run more enjoyable. "Season passes and golf fees have been dramatically lowered, and Indian Run is really a great place and a great value -- we just want people to come out and see what we have to offer," he says. The 2009 Golf Season is just around the corner, so stop by and be a part of it at Indian Run.

### Gina Kusz returns as Indian Run's Food & Beverage

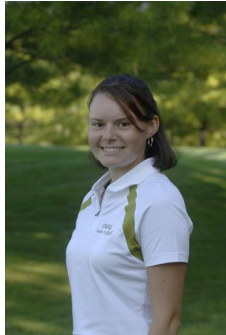

Manager. She is committed to providing a relaxed and enjoyable atmosphere along with good food, your favorite beverage and great service. Gina has years of experience coordinating wedding receptions, special events and occasions.

"These are tough times, and we will make our very best effort to see that our patrons and neighbors are happy and want to come back again and again," she says. Gina enjoys working with people, and will go that extra mile to make every event at Indian Run -- from small golf outings to large banquets and wedding parties -- run smoothly. She is looking forward to seeing new faces this year, so please stop by and meet Gina if you have not yet had the opportunity. She guarantees you will come back to Indian Run again and again.

**Meet our new Teaching Professional**

**Katie Strawser** will be joining us as our new Teaching Professional.

She will be conducting the Junior Golf Program and also will be available for individual, group or playing lessons.

Katie is a two-time Michigan High School

State Champion, and holds the course record of 66 at Egypt Valley CC while playing in the Women's Michigan Amateur. She is excited to bring her teaching skills and fresh ideas to Indian Run.

Our Junior Golf Program will be kicking off in the middle of June, and we hope to have a great turnout of youngsters signing up to learn how to

play the game along with some basic rules and proper golf etiquette.

Katie, an experienced teacher as well as player, will be working with boys and girls between the ages of 8 and 15 on Tuesday and Thursday

mornings the last two weeks in June. The four lesson series will cost \$40 and cover full swing, putting and chipping fundamentals. It will include range balls

along with a challenge event with prizes to the winners at the conclusion. Juniors that attend all four sessions will receive a certificate.

You may sign up your Junior(s) at the Golf Shop or call Katie for more details at (269) 327-1327.

**Meet our Golf Course Superintendent**

**Charlie Fisher**, a member of the Golf Course Superintendents Association of America, and his experienced grounds crew, Dan, Don, Andrew and Larry will be working diligently to improve course conditions, make the golf course more playable and still provide a real challenge. Let us know what you think about the course and we will pass the word.

These guys will get the job done.

**Golf Facts**

Hazards attract, fairways repel.

Since bad shots come in groups of three, a fourth bad shot is actually the beginning of the next group of three.

Every time a golfer makes a birdie, he must subsequently make two triple bogeys to restore the fundamental equilibrium of the universe.

There are two things you can learn by stopping your backswing at the top and checking the position of your hands: how many hands you have and which one is wearing the glove.

Everyone replaces his divot after a perfect approach shot.

And remember, it's not a gimme if you're still away.
